Meanwhile, Carrie discovers that she has telekinesis and learns to control her ability. It is inconsistent to have a girl excited to be so exceptional to be normal and like everyone else in the next. They saw a lot more frightening things than that. Btw Portia Doubleday as Chris Hargensen, in fact, I gave the most consistency of good performance in Carrie.as to Carrie's discovery and mastery of her powers, I would like to say that there are benefits and damages in how they were portrayed. Carrie makes Haywire, and when she does, she suddenly and supremely mastered her telein powers. In fact, I can assume that your fictional school has strict rules against telephones in the dressing rooms or there would have been more recording μ and uploads than that by Slithery Chris Hargensen. But if they've never read or seen Carrie's <sup>3</sup> before, they'll start with this one. How can we trust in the <sup>3</sup> story <sup>3</sup>Carrie (one of the king's best novels) and modern special effects. Where <sup>3</sup> is concerned, there were two significant differences from the previous version and, more importantly, the novel worth mentioning. Kimberly Pierce extends these scenes more than De Palma. I don't know why they didn't perform as well as I believe they could have (director? There's probably more than one reason, but whatever the reasons, both the experienced Julianne Moore and the relatively new Chloe Grace Moretz gave a little uneven Performances. μ. FX Issues? When Carrie gets her first act, she doesn't understand what's going on with her and her colleagues humiliate him in the dressing room. Sweet teenager Carrie White is intimidated by her classmates in the Middle School. Its an unequal attempt to bring the King's Opus to life, but done with Gusto. This ambivalence has not inclined objectivity to my visualization. The while very good were not as impressive as they should have with succulent parts and talented actresses. I found it natural for her to try with them as she did, but I would not be surprised to read the term, "over-the-top" in a review or two when discussing her powers after things, turn to the worst at the graduation prom. I found unnecessary and capricious. This is not to suggest that she must be completely ashamed or horrified by her powers, but she would certainly be ambivalent at least. - Claudio Carvalho, Rio de Janeiro, Brazilou no pages have recently seen Genres: Drama, Horror Paões: 5, Duration: 4 6 100 min: 4 «Grace Moretz, Julianne Moore, Gabriella Wilde A Reimaging Classic Horror Horror About Carrie White (Grace Moretz), a girl joked by her colleagues and sheltered by her deeply religious mother (Julianne Moore), who triggers terror telegisÁ © Tico in his little city after being ents Hctaw Tay Taht etaicer i .CTE, YGots E.gnik ndefots eHts foets iofrac eht foeatu Yam setaS detinU eht ni deweiveReeGcM yllomlufpleh siht dnuof elpoep 7esahcrup deifireVekameR evisserpmi4102, 12 yrauna] setatS detinU eht ni deweiveRniwdlaB .tenretnI eht remember stSop DNA enohp llec reh htiw eirraC sepatoeDiv nesnegraH sirhC lufetips ehT .hcteks LNS dlo ni enilhcnup radio eht dluohs Ehs Ekil IS Ti Gnikam NetFo, Rehetta Citanaf Suuger ReguC Resip RepucUht, Yeh dna.detad TsaeI @loli IS Llw ti .eVovom \*to HCTAW ELIGHOP Regnuay Esucer Erisdsinoc Ta'srrac t T Did Ehs Tahw Rof Pack Pa Miht OHT Et, LLENS NEUS SSIRFYE WO HGIH YLRALUCTTRAPTHING HELS EIRRARTTTRAD NIGHT. The cinematography and editing are first-rate in this film, with a lot of shots looking like you could pause them and plaster them on a poster.The updates for this film are small, but effective, such as Chris filming the incident period in his film, putting it on the Internet, and after the blood was deposited at the ball, having the video shown on the big screens on the side of the stage. The small changes in the dialogue also help to give the characters more motivation to do things, such as Tommy genuinely wanting to make sure Carrie has a good time at the dance after Sue asks him to take her, Carrie calling her mother by reciting a verse from the Bible about how God is loving and forgiving, or how Sue genuinely feels bad for what she did to Carrie.If you somehow missed the original, this would also be a good starting point for anyone who wants to get into Stephen King or the Carrie White story.One person found this helpfulJCPReviewed in the United States on January 20, 20143.5 Stars for Carrie to be more specificBuy verifiedBuy for classic horror fans Carrie(1976) still holds up, this is a well-done reboot of Stephen King's novel and Brian De Palma's film. Her teacher, Mrs. Desjardin, punishes the students, but when Chris challenges her, she is suspended and consequently banned from the dance.
